HAD ARM BROKEN.

Roy Ashley, Son of Sheriff Ashley

son of Sheriff and Mrs. Ashley, had his arm broken on Sunday night while trying to crank an automobile. A physician was called and the bones set in place and last night he was reported to be getting along all right. Mr. and Mrs. Ashley are in the mountains and while they are away Roy was staying with Mr. Jim Williams at the county jail. After his arm was broken the little fellow was very game and for awhile tried to con-vince Mr. Williams that his arm was only knocked out of place.

#### Gray Hair Becomes Dark, Thick, Glossy

Try Grandanother's Ald Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded brings back the natural color and lustre to the hair when faded, stresked or gray; also ends dandruff, stching scalp and stops falling hair. Years ago the only way to get this maxture was to make at a home, which is mussy and treublecome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound," You will get a large bottle for about 56 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge of soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years youngssy and you look years young-

### HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work.

I began taking Cardul, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16.

Cardul certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the altments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardul. Your druggist sells it. 197-de se: Chattanogu Medicine Co., Le dvisory Degl., Chattanogu, Tenn., for Se sistemations on purcusa and Gengra book intractions on purcusa and Gengra book positioned for Women, in plain wrappe. R.C.
